## INDUSTRY EXPERTISE IN:

- Healthcare & Pharmaceutical
- Technology
- Engineering
- Human Resources
- Financial Services & Fintech

# WHY DECODEHR?

## DEDICATED SPECIALISTS

We have a team of experienced specialists with superior search skills and deep knowledge of the market and employment trends. We will translate your needs into an agile search process to provide you with quality candidates.

We undertake each assignment with dedication because we know what a difference it makes to have champions on our team.

## LEVERAGE TECHNOLOGY

We utilise reputable and validated assessment and ability tools to provide a richer understanding of an individual's traits and preferences to ensure a strong match of capability and skills as well as cultural fit.

## PROFESSIONAL NETWORK

Leveraging our broad network and knowledge of the Asia Pacific landscape, we are able to reach both passive and active candidates.
